

ABA Centers

Christiansburg

Our Christiansburg ABA Center features a large active play room filled with equipment to encourage movement, a dimly lit sensory room, a teen lounge, and multiple treatment rooms. The center is themed around an outdoor, mountains, and camping adventure and every space has been carefully designed to be a welcoming, comfortable environment for learning and growth.

Salem

Our Salem ABA Center includes multiple treatment rooms, a group therapy space, underwater themed sensory room, and an observation suite with two-way window/mirror. Carefully designed to be both a soothing and welcoming environment for children and youth as they work with our highly skilled Behavior Analysts and Technicians to gain the skills that improve their lives. Our Salem Center is a colorful space themed around an ocean adventure.
